Resolution—

(1) With reference to the complaint of the residents of old Bethamangala village that their water-supply was being polluted by the filter works, the Senior Surgeon has remarked that the complaint is not without foundation. The Board are of opinion that the Water-works Department should consequently bear the cost of laying water to the old village.

The sale will commence at 11 A.M., on the date specified, and the village will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.

7. Purchaser having completed the payment of the purchase money will, as soon as the sale has been confirmed, be placed in immediate possession, and the village will be registered in the name of the purchaser, and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him.
